OBJECTIVE

Enthusiastic and detail-oriented Web and App Developer with a strong foundation in JavaScript. Eager to leverage modern frameworks and libraries to create dynamic, user-friendly applications. Committed to continuous learning and contributing effectively to a collaborative team environment...

SKILLS

Programming Languages:

JavaScript | HTML | | CSS

Framework/Libraries:

React.js | React Native | Bootstrap

Database:

Firebase (Firestore)

Content Management System:

WordPress | Blogger

Software Tools:

Android Studio | VS Code | MS Office(Excel and PowerPoint)

Other Skills:

Windows OS | Windows Troubleshooting | Driver Troubleshooting

EXPERIENCE

EarthTech Solutions Pvt. Ltd. | Jhalawar, Rajasthan

JavaScript Developer Intern | Feb 2024 – Present

Food Delivery App

Led the development of a food delivery application in React Native, managing the implementation of core features from inception to completion.

Technical Execution:

- Created reusable components to enhance efficiency and maintain consistency throughout the application.
- Utilized Firebase Authentication to implement user login, logout, and signup functionalities.
- Designed and managed a form in React JS for collecting food data, storing it in Firebase Firestore, and fetching it seamlessly within the app.

Firebase Integration:

- Integrated Firebase for real-time database operations and secure user authentication.
- Leveraged Firestore for efficient data storage and retrieval, ensuring smooth and responsive user experiences.

State Management and Navigation:

- Implemented state management and hooks to ensure smooth user interactions and efficient performance.
- Utilized React Navigation to facilitate intuitive and user-friendly navigation within the app.

Collaborative Approach:

- Engaged in discussions with team members to brainstorm ideas, overcome technical challenges, and refine the app's design and functionality.

EDUCATION

Rajasthan Technical University

B.Tech, **Information Technology**
August 2023 |Kota, Rajasthan

Jammu & Kashmir State Board
12th., **Non-Medical** 2019 | Ghagwal, Samba

STRENGTHS

- Committed Collaborator
- Self Motivated
- Project Planning
- Analytical Thinker
- Problem Solving

CERTIFICATIONS

- Programming with JavaScript by Meta
- Co-Ordination Certificate for Table Tennis Sports
- Google Ads Display Certification

PROJECTS

- Food Delivery App
- Myntra Clone
- WordPress (WooCommerce Site)
- Myntra Clone

INTERESTS

- Listening Music
- Traveling
- Investing
